# Cadro: the aluminium frame system for endlessly creative furniture ideas

- ▶ Suitable for use in any application
- ▶ Clean cut, reduced design
- ▶ Whether open or closed
- ▶ On the wall or floor
- ▶ Whether standing alone or embracing existing furniture

The Cadro aluminium frame system uses a variety of aluminium profiles and connecting nodes. The profiles are designed for 16 mm shelves made of materials, such as wood, or for 6 mm glass shelves. The system components are available in matt black and stainless steel look. The Cadro assembly aid guarantees components are fitted quickly, easily and with absolute precision.

The system can be upgraded by adding:

- ▶ LED strip lighting
- ▶ Feet or castors
- ▶ Matching handles
- ▶ A side hung door on Sensys hinge
- ▶ A sliding door with the SlideLine M fitting
- ▶ A closed drawer with AvanTech YOU
