Do's & Don'ts

Do's: -

- 1.Always look for the information on the catalogue with your product for end of life equipment handling.
- 2.All the electrical and electronic products are required to be handed over only to the authorized dealers
- 3.Keep the product in the isolated area, after it becomes non- functional/ unrepairable as to prevent its accidental breakage
- 4.If unwanted electronic equipment still work or can be repaired then consider donating them.

Don'ts: -

1. Do not dispose the product in garbage bins along with municipal waste that ultimately reaches to landfill.
2. Don't sell or give the discarded hardware to any trash dealer
- 3.Do not mix the products into household waste stream
- 4.The product should not be opened by user himself/herself, but only by authorized service personnel.
